

SACE meets DEACERO

Seizing new business opportunities in the Steel sector

21 July 2021 - 4pm (Rome time)
Live Webinar

SACE, with the kind collaboration of **Confindustria**, is pleased to invite you to a presentation of potential business opportunities for Italian SMEs with **DEACERO**, a leading group in the production and distribution of wire and long steel worldwide. The Company holds an integrated business model and is interested in meeting Italian suppliers of technologies for recycling of ferrous material, steel production and processing equipment and machinery, as well as for handling and distribution. In the framework of the Push Strategy Program, SACE and DEACERO are collaborating to increase the volume of procurement from Italy.

The webinar will feature a presentation of new business opportunities for the Italian SMEs operating in the Steel sector.
