

Call for Expression of Interest – Networking session at the EU tech business offer event in Indonesia

Are you a European tech company looking to expand into Southeast Asia's largest and fastest-growing digital market?

The **Digital for Development Hub (D4D Hub)** is launching a unique initiative to connect European tech innovators with Indonesia's vibrant ecosystem of local businesses, startups, and public institutions during the event **EU tech business offer event in Indonesia, Jakarta, May 5, 2026 | 9:00 am – 6:30 pm. Venue to be confirmed soon.**

The participation is **free of charge for selected companies.**

Why Indonesia ?

- **4th most populated country** in the world, with over 280 million inhabitants and a rapidly expanding middle class.
- **Digital transformation leader** in ASEAN, a tech-savvy population and a government committed to digital infrastructure and innovation targeting a \$210–360 billion digital market by 2030,
- **A gateway** to Southeast Asia as headquarters of the ASEAN policy organization, offering access to a regional market of over 650 million consumers.
- **Strong public-private partnerships** and incentives for foreign tech investment, especially in AI, fintech, smart cities, and green tech.
- **Recent conclusion of the negotiations of the CEPA** and its provisions on digital trade and regulatory alignment represents an opportunity to deepen Indonesia-EU collaboration

What We Offer:

- **Qualified networking:** Direct access to Indonesia's top tech companies, startups, innovation hubs and investors through curated B2B matchmaking session.
- **Strategic insights:** attend to high level roundtables and connect to speakers and participants during the event to get insights on the Indonesian market and explore partnerships with public and private stakeholders.
- **Visibility:** Showcase your solutions at an EU-Indonesia high level event.

Who can Apply?

European tech companies (SMEs and startups) operating in the following sectors:

- Telecom (5G, satellite connectivity, submarine connectivity),
- AI models and solutions
- Digital Public Infrastructures (E identity, digital payments, data interoperability)
- Cybersecurity
- Datacenters and cloud computing.

Priority will be given to companies based in an EU country member of the D4D Hub¹. Companies based in other EU countries are eligible for selection based on availability. The number of companies selected is limited to around **20 in total**.

How to Apply :

Submit your application by **16 February 2026** using the following link:

<https://easy-feedback.de/jakarta/2084472/G38Du4j>

Selected companies will be directly contacted by the D4D Hub to prepare the participation in the event.

Key Dates :

- Application Deadline : **16 February 6 2026**
- Virtual preparation meetings with D4D Hub: between mid-February and mid-March 2026
- Networking Event in Indonesia: **May, 5, 2026, Jakarta, Indonesia (venue to be confirmed soon)**
