EXCHANGE

Our commitment to a sustainable food economy continues!

Watch out for the next edition of the Sustainability Solutions Exchange (SSX) Conference and Exhibition on May 21-23, 2026.

SSX is the premier platform for green solutions, products, and services, where innovation and environmental responsibility meet across sectors. SSX allows people and places to take tangible action toward circularity.

- **Discover and Source** | Natural, herbal, and organic products; healthy food supplements; and a growing selection of plant-based alternatives; sustainable houseware, furniture, home decor, and fashion.
- **Collaborate and Adapt** | Partners in sustainable packaging, green technology for agriculture, and certifications for sustainability standards. Connect with sustainable programs from government bodies, NGOs, and the academe; solutions for eco-packaging, waste management, and carbon tools, as well as services from sustainability certifying bodies.

All these and more are in store for you at IFEX Philippines. Stay connected.
