## ALLEGATO 2 – CONDIZIONI PER LA FORNITURA DEL SERVIZIO

La lingua utilizzata nella piattaforma online è l'inglese: qui di seguito sono riportati i termini del suo utilizzo (presenti anche alla pagina [www.furnituredesignitalia.com/terms.php](http://www.furnituredesignitalia.com/terms.php))

### **TERMS & CONDITIONS**

#### ***1) General terms of business for the use of the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and the Indo-Italian Chamber of Commerce and Industry (henceforth IICCI) applications***

##### 1. Area of application

As a user of [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com), the website of IICCI, and all the websites and internet services (Applications, Newsletter, downloads, links) connected with it, you recognise the following general terms of business (terms of business for online use) and the warranty and liability restrictions which are defined below.

IICCI expressly reserves the right, without prior notice, to modify, supplement, or delete parts of the web pages or the entire service, or to close down the domain. These terms of business for online use should be referred to from time to time.

If any individual formulations of these terms of business for online use do not comply, no longer comply or do not comply fully with the applicable legal regulations, this will not affect the contents or validity of the remaining parts of these terms of business.

These general terms of business are originally verbalised in English and maybe translated to other languages for informative purposes. In case of any divergences in meaning, solely the English version is legally applicable.

##### 2. Information on [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) and use of the website and the IICCI applications

At [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) IICCI provides an information platform for architects, planners, interior designer, importers, specialist retailers, agencies and consumers. The IICCI service is divided into five main sections: Project, Activities, Products, Exhibitors and News. The Product Library is a search structure. It enables users to search for high-quality products from the premium segment in accordance with varying search criteria. The products which are shown are selected by the IICCI team. The selection does not claim to be exhaustive and is oriented towards the interests of the target groups which have been outlined above.

IICCI does not guarantee that the internet service will be available online at all times. This applies in particular to interference, interruptions or the possible breakdown of the internet site.

As a user you recognise that the contents of the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and the IICCI applications, in particular text, pictorial, video and sound material of all kinds, as well as the naming of manufacturers and auction houses, are protected under the laws on copyright, patent, trademark, branding, design, company, industrial property and/or other legal protection. It is not permitted to users, neither for their own nor for outside commercial purposes, to copy, exploit, distribute or publish any part of the contents of [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) and of the IICCI applications, or to use such contents for other purposes. In particular it is forbidden to change or remove logos, brand names, product or design names, references to copyright or other details from the contents.

The [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and the IICCI applications contain non-binding information which is in no respect part of the terms of business. IICCI regards the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website merely as a database containing a selection of manufacturers and products. Product advice, professional advice and reliable information must always be obtained from the relevant manufacturer or specialist retailer.

Any references to products and services, together with outside textual contributions, are prepared carefully in order to provide our customers with valuable information. In cases where the contents and data in the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) information service are derived from third parties, IICCI takes all the usual steps in order to make sure that the information is correct and up to date. However, if any of the data is found to be incorrect users are requested to inform IICCI without delay.

### 3. Warranty and liability restrictions

IICCI accepts no liability and provides no warranty of any kind for any damage which may result from the use of the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and the IICCI applications. This applies particularly to the correctness, completeness and up-to-datedness of the content and data, the download and use of files contained on the site and links (so-called 'hyperlinks') to the websites of third parties and for the correct functioning of such links. This also applies in such cases where the links are provided with comments. In the inclusion of links which refer to websites outside of [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) IICCI takes all reasonable care to ensure that such sites do not contain illegal contents at the time the link is created. IICCI has no influence to the further development of these websites and hereby distances itself from any illegal content.

No liability is accepted particularly for any direct and indirect damage, for any loss of profit, failure of performance of any kind on the part of the internet, misuse by third parties or loss of programmes or other data in the user's information systems. This also applies if there is reference to the possibility of such damage on the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and in IICCI applications.

### 4. Data protection

The personal data which is received from users in the course of the IICCI information and communication services, together with the information service (newsletter), in applications (apply) or in other ways is recorded and processed by IICCI. IICCI will use the data which is provided in order to supply its registered users with the required information and to improve its own services.

IICCI hereby assures users that all personal data will be handled in the strictest confidence and will not be made available to third parties. Swiss regulations on data protection are strictly complied with. The transmission of data to third parties will only take place to the vendor or manufacturer contacted by the user and only to the extent of the request made by the user (e.g. in price or catalogue requests).

### 5. Applicable law and place of jurisdiction

The use of the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and the IICCI applications is subject exclusively to the substantive law of India. The sole place of jurisdiction for any disputes arising from the use of the [www.furnituredesignitalia.com](http://www.furnituredesignitalia.com) website and of the IICCI applications is Mumbai, India.
